

Rainbow Caregiver Support Group

A support group for LGBTQ caregivers and/or those caring for an LGBTQ person with dementia.

This free monthly group provides an opportunity for:

- Dementia education and information.
- Sharing common experiences, practical tips and strategies.
- Emotional support.

Lesbian, gay, bisexual, transgendered and queer (LGBTQ) people with dementia, and their caregivers may face unique challenges. This support group offers specific and appropriate support for these caregivers.

**New Group in Vancouver, B.C.
January 2014**
