Re: Richmond Office Relocation: November 21st, 2022

Hello,

We are writing to let you know our Richmond Community Living BC (CLBC) office will be moving to co-locate with CLBC's head office on November 21st, 2022. Our new location is fully accessible, there is limited free street parking and it is near a bus route.

After COVID-19, CLBC moved to a permanent hybrid model where staff work part-time in the office, and part-time from other locations. Our move to Airport Square just across the Oak Street bridge will utilize CLBC's existing office space and create efficiencies.

Please update your contact list to reflect changes to our address and contact numbers.

Our new address and contact numbers are:

Community Living British Columbia
