

You are invited!

Please join the CLBC Richmond Community Council Virtual Open House
An evening of story sharing and getting to know our community

DATE: November 9th

TIME: 6:30PM to 8:30PM

LOCATION: Online via ZOOM (registration contact below)

Come share what an inclusive and welcoming Richmond means to you!

Who is the Richmond Community Council? We are a group of self advocates and family members who receive support from [Community Living BC](#), as well as community partners and allies who care about building culturally safe, accessible, and inclusive communities.

What do we do? We provide a regular gathering place for individuals, families, and community organizations/members to exchange information, share stories, host presentations, and make new friends.

Together with community we strive to:

-  **Build relationships with community leaders working to create a more inclusive Richmond.**
-  **Collaborate on actions that lead to social connections and inclusive community opportunities for everyone.**
-  **Connect communities, people, and families to information, resources, and each other.**
-  **Listen to the experience of people and families served by CLBC to make things better.**

For more information about the Richmond Community Council and/or to

join us on November 9th email: clbcrichmond@gov.bc.ca

Community Living BC, or CLBC, is the provincial crown corporation that funds supports and services to adults with developmental disabilities, as well as individuals who have a diagnosis of Autism Spectrum Disorder (ASD) or Fetal Alcohol Spectrum Disorder
