**RCD Interim
Relocation
Fundraising**

Over the past 38 years, the RCD has played a crucial role in our community by providing vital services, resources, and support to persons with disabilities. Our commitment to improving the quality of life for these individuals has been unwavering, and we have seen remarkable transformations as a result of our efforts. In 2022 the RCD provided 55,405 direct service hours to 30,464 people on disability supports.

**We are currently faced with a
significant challenge !!**

Due to unforeseen circumstances, we urgently need to relocate our center temporarily to ensure the continued delivery of our essential programs and services. This would practically mean we need to earnestly fundraise to support our interim relocation, which is vital to avoid any interruptions of the support and services we provide to our participants and the community.

**Make a generous donation to
support RCD interim
relocation costs and its
retrofitting**

Thank you for your support !!
