RCD RE-STARTING PLAN FOR COVID-19 PANDEMIC A PLAN TO BRING US BACK TOGETHER

BC Restart is a careful, four-step plan to bring B.C. back together. Starting May 25, 2021, we can gradually begin to restart our important social connections, businesses and activities. The Restart Plan lays out a series of steps and principles that everyone in BC will take together to protect people and ensure that the province can come back from COVID-19 stronger than before.

The RCD is making efforts to align the re-opening of the centre with this plan, to ensure we welcome staff, volunteers, members and visitors to a safe and comfortable environment.

The following is a list of protective measures and guidelines that are more relevant to the RCD:

- Masks are recommended in public indoor settings
- Adhere to physical distancing and hygiene guidelines, as much as possible
- Small gathering and to engage in careful social contact
- Stay home if you or your household members feel sick
- Gradually re-introduce in-classroom learning
